

First Baptist Summer Math Requirement

Each student should complete a minimum of ten skills with the IXL's listed below. Your goal is to complete one activity per week. This should not be done all at once and should be spread out throughout the summer. Please complete the skill even if it says you have already previously completed it during the school year. You should use a notebook or dry erase board to do your work.

1. Login to IXL with your account (This went home on the last day.)
 - a. If you are new, the office will send your account information
2. In the search bar type in the 3 letter/digit code and the skill will pop up
 - a. Do not type in the name of the skill. You must use the code given
3. Complete skill to at least 90%.

IXL Requirement: Each skill should be completed to 90%. If you struggle with this particular skill and spend more than 30 minutes in one sitting, stop and come back to it on another day. Be sure to read through the suggestions on iXL and if you are still struggling. IXL gives you the option at the bottom to watch a video or review the lesson.

****Please note that some of the skills have multiple IXL's**

TO BE RETURNED THE FIRST DAY OF SCHOOL

Rising Algebra Summer Work

IXL Assignment	Completion Date	Achievement Score	Difficulty- circle one
Day 1: Evaluate numerical expressions involving integers. Code: 7YN			easy, medium, hard
Day 5: GCF and LCM Word problems. Code:CQV			easy, medium, hard
Day 9: Identify Sequences Code: 9FQ Code: CYC			easy, medium, hard
Day 11: Evaluate numerical expressions with Integers and rationals Code: Y6W Code: 5E3			easy, medium, hard
Day 13: Multistep word problems Code: EHX			easy, medium, hard
Day 15: 1&2 step word problems, Code: HCP			easy, medium, hard
Day 17:Simplify complex fractions Code: HYL			easy, medium, hard
Day 19: Does x satisfy the equation. Code:JPC			easy, medium, hard
Day 21: Which x satisfies an equation. Code: YTT			easy, medium, hard
