

My name is Ahna DeCosty, and I am a tenth grader at FBS. I am hosting a Drive in Movie at the First Baptist athletic complex on James Island on March 15th (7-11 pm). I will be showing two movies, Daddy Day Care, and Night at the Museum. The Admission for this event is five dollars per person, and popcorn, candy, and drinks will be for sale.

This is a fundraiser event for the Ronald McDonald House that serves children and their families while a relative or friend is suffering from cancer at MUSC. I chose this charity because every family should have an opportunity to have hope for their loved one.
