Due the first day of class, you will upload your responses to guided pre-reading and reading questions to google classroom.

The first week there will be discussions based on the questions and your first writing assignment.

The image features three shelves of books. Each shelf holds five books with various purple and black covers. The books are arranged in a slightly staggered manner. The top shelf is at the top, the middle shelf is in the center, and the bottom shelf is at the bottom. The word "QUESTIONS?" is written in a large, black, serif font in the center of the image, between the middle and bottom shelves.

QUESTIONS?

A large, black-outlined rectangle with rounded corners and a header bar containing three small circles (representing window controls) is positioned on the right side of the image. Inside this rectangle, the text "Email Ms. Allen with any questions!" is written in a black, serif font. Below this text, the email address "allens@fbschool.org" is written in a bold, black, sans-serif font. A purple starburst graphic is located to the left of the bottom part of the rectangle, pointing towards the email address.
