

FIRST BAPTIST SCHOOL *of* CHARLESTON

ACADEMIC
EXCELLENCE

CHRISTIAN
PERSPECTIVE

Dear FBS Families,

As we close out another great school year, we want to ensure that all our valuable learning does not become a casualty to the “summer slide”. “If you don’t use it, you lose it!” Therefore, the teachers have worked hard to put together a meaningful, yet achievable, summer work packet. We know that doing school work over the summer is usually one of the last things students want to do, but we want to ensure that all the great material absorbed during the school year is retained and each student enters the new school year prepared. Research states that 2 months of reading skills and 2 ½ months of math skills are lost over a single summer. Please see the attached article for reference.

<https://www.idtech.com/blog/summer-slide-facts-for-productive-school-break>

This is a staggering statistic which is preventable. By completing this work over the course of the summer along with being sure to engage in some type of intentional learning for 2-3 hours a week, can prevent the summer slide.

Family Read Aloud:

There are many benefits to reading aloud to your child. It builds motivation, curiosity, and memory. As award winning children’s novelist, Emile Buchwald, believes “Children are made readers on the laps of their parents.” Reading aloud to your child also helps reduce stress and sets children up for academic success. This summer we are encouraging families to choose a book and engage in a read aloud as a family. The students who participate in this wonderful family activity will be invited to an ice cream party in the new library the first week of school! Here is a Google Classroom page where families can share their books and you can find more information on the importance of this practice.

<https://classroom.google.com/c/MzU0OTY3NDgzOTcw?cjc=copkyks>

Please complete this [google form](#) to show that you and your child have read through this information.

We hope you have a wonderful summer and look forward to a great 2022-2023 school year.

Many Blessings,

Susan Brooks

Rising 1st Grade Summer Packet

The packet [attached here](#) is an end of the year overview of kindergarten skills put together by the kindergarten teachers. This is a large packet and can be printed at school if you do not have access to a printer. (Current FBS students were sent home with the whole packet in a binder) New FBS students can come by the main office to get a copy if they wish. Please refer to the letter from the teachers.

Our first grade teachers have included a suggested reading list and reading log for your children to keep track of their reading over the summer. [Found here](#). Reading is extremely important at this age and reading logs will be used in 1st grade so this is a great way to start getting into the habit of it.
