Art Afterschool classes will be held on Mondays, Tuesdays, and some Wednesdays from 3:00 to 4:15. The classes will begin Sept. 11th. Please watch dates, as there are skipped weeks due to school breaks, Halloween, election day, etc. These classes will consist of projects slightly more involved than regular daytime classes. All supplies will be included in class cost. Projects will require work over more than one class, so consistent attendance is important!

I would like to set a goal of three different projects. However, adjustments may occur to accommodate class size, speed at which students work, weather, or any other unforeseen issues.

Students will need to bring their own light snack due to Health and school restrictions. (Example: goldfish, pretzels, popcorn, animal crackers, etc.) Please try to keep these snacks to a **dry type**, non-messy, sticky, or cheesy on the fingers so that our artwork stays clean. To avoid accidental spillage of colored or sticky drinks on working projects, **ONLY** their water bottles will be allowed in class to drink.

Applications can be picked up from Mrs. Blich, Ms. Bowers, or online. Please make checks payable to **First Baptist School** and attach to the application. All forms and fees are due **BEFORE First Class Sept.11th or 12th** so that supplies may be purchased!

Special notes: 1) You are encouraged to email me if you have any further questions. Depending on interest/numbers, I may have to switch a student(s) to a different day. Especially 3rd grade. 2) Any student wishing to join after the date of the 1st class (Sept. 11th or 12th) may gladly do so but, will be charged \$38.00 for each remaining class due to the need for additional planning and supplies.
